spending my 39th year practicing uncreativity on friday
september 1 2000 i began retyping the day's new york
times word for word letter for letter from the upper
left hand corner to the lower right hand corner page by
page with these words kenneth goldsmith embarked upon a
project which he termed uncreative writing that is
uncreativity as a constraint based process uncreativity
as a creative practice by typing page upon page making
no distinction between article editorial and
advertisement disregarding all typographic and graphical
treatments goldsmith levels the daily newspaper day is a
monument to the ephemeral comprised of yesterday's news
a fleeting moment concretized captured then reframed
into the discourse of literature when i reach 40 i hope
to have cleansed myself of all creativity kenneth
