and the awesome transformative power of the game book two a young computer genius is chased by sleek high tech drones into a land populated by godzilla size dragons setting off a war that only he can stop part eragon part transformers with a magical beating heart at its center marcus brimley was just four years old when his cia analyst father went missing and the world branded him a traitor eight years later searching for clues to find his father and prove his innocence marcus breaks a complex code that sends him shooting through a storm into an alternate realm but he doesn't travel alone when marcus lands in this new world dracone he finds that he has been followed by government drones and they're out to destroy marcus and all of dracone while fleeing the drones marcus meets dree a twelve year old draconian girl who comes from a family of dragon riders dree explains to marcus that while humans and dragons used to be friends dracone's new prime minister has turned them

into enemies with humans hunting dragons for sport and dragon riding families like the Drees pushed to the poorer outskirts of the city but the drones are firing on both the dragons and the people of Dracone soon Marcus and Dree discover that they must get help from the dragons if they want to stop an all-out war that will leave the incredible realm of Dracone decimated it's the vivid insightful depiction of Sara's internal struggles that readers will remember booklist in this prequel to the Edgar Award-winning Ocdaniel fan favorite Sara Quests for Normal and finds something even better along the way Sara's rules to be normal 1 stop taking your pills 19 make a friend 137 don't put mayonnaise on peanut butter and jelly sandwiches Sara wants one thing to be normal what she has instead are multiple diagnoses from Dr. Ring Sara's constant battle with false alarm what she calls panic attacks and other episodes cause her to isolate herself she rarely speaks especially not at school and so she doesn't have any friends but when she starts group therapy she meets someone new talkative and outgoing Erin doesn't believe in normal and Sara finds herself in unfamiliar territory at the movies at a birthday party and with someone to tell about her crush in short with a friend but there's more to Erin than her cheerful exterior and Sara begins to wonder if helping Erin will mean sacrificing their friendship announcements for the following year included in some vols from New York Times bestselling and award-winning author Wesley King comes a tender and grounded middle grade mystery about brothers basketball and a young boy on the autism spectrum eleven-year-old Green loves his devoted older brother Cedar a popular basketball star but that doesn't mean he wants to follow in his footsteps he doesn't really care about sports or making friends still eventually Green caves to pressure to try out for the basketball team he may be tall like Cedar but he's nowhere near as skilled and when a confrontation with the coach spurs Green to flee the court his flight coincides with a priceless necklace going missing making him the number one suspect to clear Green's name the two brothers team up to find the necklace and along the way they learn to appreciate their differences and the things that bring them together Lord of the Rings meets Buffy the Vampire Slayer meets the Duff in this funny fast-paced tale of middle school monsters self-image and oh yeah actual monsters that want to kill everyone Laura Ledwick is well large the kids at school don't let her forget it and call her by various names Laura Largebottom Laura Lardo lots of Laura you get the idea when Laura's family moves to the next town over before eighth grade she expects more of the same what she doesn't expect are the snake-like yellow eyes watching her from the forest or the mysterious rattling in her closet or finally making real friends for the first time or handsome uber-nerd Liam R. Kelp who might just be the cutest boy to ever wear a science is cool t-shirt but when Laura finally discovers the source of the rattling things take on a whole new level of weird it turns out Laura has just been given the most important job in the world monster crusher her role is simple protect the earth from the horrors beneath their feet eighth grade is about to get a lot more interesting Reggie has never felt destined for greatness he dreams about basketball brilliance all day and night but the hard truth is that he's a benchwarmer for the West Bottom Badgers the worst team in the league even their mysterious new coach Rolabi Wizenard can't seem to help them end their losing streak Reggie is willing to train tirelessly to improve his game but the gym itself seems to be working against him in magical ways before Reggie can become the player he dreams of being he must survive the extraordinary trials of practice Lord of the Flies meets Star Trek in this outer space story of adventure mystery and fantastical fun from the author of the Vindico and the Feros when Jonah wakes up on the fantastic flying squirrel he's a bit confused one second he is in his family's living room doing his homework and the next he's sitting on a very cold floor on a very cold ship with a very strange looking girl staring at him her name is Willona the awesome and she's here to welcome him to the incredible space raiders now that Jonah is on board the incredible space raiders can set off on an important mission to venture into the dark zone and save the universe from the entirely evil things but when space raiders start to disappear Jonah realizes that if he's going to make it to the dark zone alive he's going to have to step up and figure out what's going on join the space raiders aboard the fantastic flying squirrel for an unforgettable journey where imagination and truth collide somewhere deep in space offers new readings of Ralph Waldo Emerson Harriet Jacobs Emily Dickinson Henry James Elizabeth Stuart Phelps and Alice James demonstrates how pain generates literary language and shapes individual and collective identities examines how nineteenth-century US literature mobilizes and challenges sentimentalism as a response to the problem of pain uses sustained close reading to illuminate the theoretical and historical work of literature this anthology brings together the late Barry A. Crouch's most important articles on the African American experience in Texas during reconstruction grouped topically the essays explore what freedom meant to the newly emancipated how white Texans reacted to the freed slaves and how freedmen's bureau agents and African American politicians worked to improve the lot of ordinary African American Texans the volume also contains Crouch's seminal review of reconstruction historiography unmanaging Texas reconstruction a twenty-year perspective the introductory pieces by Arnoldo de Leon and Larry Madaras recapitulate Barry Crouch's scholarly career and pay tribute to his stature in the field of reconstruction history since Darwin published his theory of evolution the church has been under constant and ever-increasing pressure to compromise the truths of creation disregarding scientific evidence that brings the theory into serious doubt some Christians have proven all too accommodating in attempting to gain acceptance as viable scientists paleontologists archaeologists professors of biology geology anthropology etc theistic evolution has now crept into Christian colleges and universities Dr. C. Wesley King offers a serious examination and challenge to this union of twisted theology and science presenting facts and naming names he reveals how the doctrine threatens to undermine the very foundations of the Christian faith by calling into question the biblical account of creation the lordship of the creator the divinity of Jesus as established by his death and resurrection the entire faith is at risk while strongly supporting the scriptures the battle for Genesis 1 and 2 is a compendium of scientific observation and irrefutable logic couched in layman's terms the volume goes to the very root of the modern assertion of theistic evolution and draws the red line that must not be crossed if members of the church are going to remain on the side of truth X-Men meets the Breakfast Club in this darkly humorous adventure the Vindico are a group of supervillains who have been fighting the League of Heroes for as long as anyone can remember realizing they're not as young as they used to be they devise a plan to kidnap a group of teenagers to take over for them when they retire after all how hard can it be to teach a bunch of angst-y teens to be evil held captive in a remote mansion five teens train with their mentors and receive superpowers beyond their wildest dreams struggling to uncover the motives of the Vindico the teens have to trust each other to plot their escape but they quickly learn that the differences between good and evil are not as black and white as they seem and they are left wondering whose side they should be fighting on after all with fast-paced action punchy dialogue and sarcastic humor this high-stakes adventure from a talented new YA voice pulls you in from the first page a swift-paced survival tale that's a cool blend of Lord of the Flies and Journey to the Center of the Earth school library journal a sharp meditation on the seemingly universal difficulties of being young smart and uncertain bccb a multifaceted journey from darkness to light Kirkus reviews winner of the Red Maple Fiction Award a class field trip turns into an underground quest for survival in the latest middle grade novel from the author of Edgar Award winner Ocdaniel Mr. Baker's eighth grade class thought they were in for a normal field trip to Carlsbad Caverns in New Mexico but when an earthquake hits their field trip takes a terrifying turn the students are plunged into an underground lake and their teacher goes missing they have no choice but to try and make their way back above ground even though no one can agree on the best course of action the darkness brings out everyone's true self supplies dwindle and tensions mount pretty and popular Silvia does everything she can to hide her panic attacks even as she tries to step up and be a leader but the longer she's underground the more frequent and debilitating they become meanwhile Eric has always been a social no one preferring to sit at the back of the class and spend evenings alone now he finds himself separated from his class totally by himself underground that is until he meets an unexpected stranger told from three different points of view this fast-paced adventure novel explores how group dynamics change under dire circumstances do the students of Mr. Baker's class really know each other at all or do they just think they do it turns out it's hard to hide in the dark in book two of the series that S. Eragon meets Transformers Marcus and Dree prepare to set out on a quest to find the storied magical egg but first they'll have to rally Dracone's rebels and dragons if they're going to have any chance of winning the war against Francis's army of drones having barely escaped the wrath of Prime Minister Francis Xidorne and his army of drones Marcus Brimley finds himself back on earth this time with Dree

and George in tow the group's mission is clear find the flames ancient egg and bring it back to Dracone so that its powerful dragon magic can be harnessed in the fight against the drones but when the U.S. government complicates their plans Marcus Dree and George must figure out another way to get their hands on the egg even if it means making an enormous sacrifice meanwhile the situation waiting for Marcus and Dree back in Dracone is worse than ever Francis's factories continue to churn out new drones by the day and with attacks becoming more powerful and more frequent the displaced citizens of Dracone begin to form a rebel army of their own one that isn't quite on board with the dragon human alliance and as the war escalates and Francis's army grows stronger Marcus and Dree can't help but wonder who's on their side praise for dragons vs drones this mash up of fantasy and sci-fi is excellently done middle grade readers will devour this and rejoice that the ending leaves room for a sequel booklist dragons vs drones will hold strong appeal for kids who are into coding and all things tech school library journal from the author of incredible space raiders from space comes a brand Kemerer when Tom Sheffield's ex-wife reveals he has a daughter he's never met he's ready to embrace fatherhood but can he forgive the repentant Stephanie for keeping their child a secret in hopes of becoming a forever family focuses on the paradoxical dialectical and mystifying facets of human interaction not merely to elucidate dysfunctional relationship phenomena but to help readers explore and understand it in relation to a broader understanding about relationships this volume is of interest to relationship researchers in social psychology and sociology James Hayden Lana Sam and Emily use their new superpowers to try to save abducted members of the League of Heroes and when Emily disappears they must find their friend before it's too late established by Congress in early 1865 the Bureau of Refugees Freedmen and Abandoned Lands more commonly known as the Freedmen's Bureau assumed the Herculean task of overseeing the transition from slavery to freedom in the post-civil war South although it was called the Freedmen's Bureau the agency profoundly affected African American women until now remarkably little has been written about the relationship between black women and this federal government agency as Mary Farmer Kaiser clearly demonstrates in this revealing work by failing to recognize freedwomen as active agents of change and overlooking the gendered assumptions at work in Bureau efforts scholars have ultimately failed to understand fully the Bureau's relationships with freedwomen freedmen and black communities in this pivotal era of American history Doyle Williams has written a family history focusing on his mother Carrie Viola Reeves her siblings Emma Annie and Charlie and her parents James Morgan Reeves and Sarah Frances Spencer in this story he describes the turmoil that enveloped James Morgan as a small child in Arkansas during the Civil War and how it took his father's life and the lives of five of his siblings he follows James Morgan as he moves to Texas with his mother leaving home at age ten to find his own way and returning to Arkansas to grow up and marry when his wife Elizabeth Wolf dies leaving him with a large family to rear he returns to Texas where he finds a new wife in Sarah Frances Spencer James Morgan and Sarah move to Oklahoma Territory in the early 1890s make their lives there and rear their own family the author follows the children of James Morgan and Sarah as they grow up marry and eventually care for their aging parents this is the story of an American pioneering family from the author of incredible space
