president lincoln secretary of war edwin stanton 1814 1869 was the most powerful and controversial stanton raised armed and supervised the army of a million men who won the civil war he organized the war effort he directed military movements from his telegraph office where lincoln literally hung out with him now with this worthy complement to the enduring library of biographical accounts of those who helped lincoln preserve the union stanton honors the indispensable partner of the sixteenth president reproduction of the original lincoln and the sleeping sentinel by l e chittenden in this classic text jane jacobs set out to produce an attack on current city planning and rebuilding and to introduce new principles by which these should be governed the result is one of the most stimulating books on cities ever written throughout the post war period planners temperamentally unsympathetic to cities have been let loose on our urban environment inspired by the ideals of the garden city or le corbusier s radiant city they have dreamt up ambitious projects based on self contained neighbourhoods super blocks rigid scientific plans and endless acres of grass yet they seldom stop to look at what actually works on the ground the real vitality of cities argues jacobs lies in their diversity architectural variety teeming street life and human scale it is only when we appreciate such fundamental realities that we can hope to create cities that are safe interesting and economically viable as well as places that people want to live in perhaps the most influential single work in the history of town planning jacobs has a powerful sense of narrative a lively wit a talent for surprise and the ability to touch the emotions as well as the mind new york times book review reappraising the journalistic and autobiographical works of the early twentieth century social critic stinson views steffen s writings as works of literary art and underscores the importance of viewing journalism as a legitimate part of serious literature unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to

enjoy presents a profile of the leader of lincoln s team of rivals examining the many political roles he had in his lifetime including governor of new york secretary of state and lincoln s closest advisor during the civil war the pulitzer prize winning reporter details how the u s business press could miss the most important economic implosion of the past eighty years eric alterman media columnist for the nation in this sweeping incisive post mortem dean starkman exposes the critical shortcomings that softened coverage in the business press during the mortgage era and the years leading up to the financial collapse of 2008 he examines the deep cultural and structural shifts some unavoidable some self inflicted that eroded journalism s appetite for its role as watchdog the result was a deafening silence about systemic corruption in the financial industry tragically this silence grew only more profound as the mortgage madness reached its terrible apogee from 2004 through 2006 starkman frames his analysis in a broad argument about journalism itself dividing the profession into two competing approaches access reporting and accountability reporting which rely on entirely different sources and produce radically different representations of reality as starkman explains access journalism came to dominate business reporting in the 1990s a process he calls cnbcization and rather than examining risky even corrupt corporate behavior mainstream reporters focused on profiling executives and informing investors starkman concludes with a critique of the digital news ideology and corporate influence which threaten to further undermine investigative reporting and he shows how financial coverage and journalism as a whole can reclaim its bite can stand as a potentially enduring case study of what went wrong and why alec klein national bestselling author of aftermath with detailed statistics starkman provides keen analysis of how the media failed in its mission at a crucial time for the u s economy booklist this is a reproduction of the original artefact generally these books are created from careful scans of the original this allows us to preserve the book accurately and present it in the way the author intended since the original versions are generally quite old there may occasionally be certain imperfections within these reproductions we re happy to make these classics available again for future generations to enjoy written by

experts from london s renowned royal free hospital textbook of plastic and reconstructive surgery offers a comprehensive overview of the vast topic of reconstructive plastic surgery and its various subspecialties for introductory plastic surgery and surgical science courses the book comprises five sections covering the fundamental principles of plastic surgery cancer burns and trauma paediatric plastic surgery and aesthetic surgery and covers the breadth of knowledge that students need to further their career in this exciting field additional coverage of areas in which reconstructive surgery techniques are called upon includes abdominal wall reconstruction ear reconstruction and genital reconstruction a chapter on aesthetic surgery includes facial aesthetic surgery and blepharoplasty aesthetic breast surgery body contouring and the evolution of hair transplantation the broad scope of this volume and attention to often neglected specialisms such as military plastic surgery make this a unique contribution to the field heavily illustrated throughout textbook of plastic and reconstructive surgery is essential reading for anyone interested in furthering their knowledge of this exciting field this book was produced as part of jisc s institution as e textbook publisher project find out more at [jisc.ac.uk/rd/projects](http://jisc.ac.uk/rd/projects) institution as e textbook publisher unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy josephson s intriguing study of how technology both helped and hindered this effort asks new and important questions about the crucial issues inextricably linked with the development and diffusion of technology in any sociopolitical system biography of noted journalist muckraker and social critic lincoln steffens this book is part of the tredition classics series the creators of this series are united by passion for literature and driven by the intention of making all public domain books available in printed format again worldwide at tredition we believe that a great book never goes out of style several mostly non

profit literature projects provide content to tradition to support their good work tradition donates a portion of the proceeds from each sold copy as a reader of a tradition classics book you support our mission to save many of the amazing works of world literature from oblivion tells how investigative reporting began with the muckrakers in the early 20th century
