Fanshawe is a novel written by American author Nathaniel Hawthorne. It was his first published work, which he published anonymously in 1828. The beautiful Ellen Langton comes to live with her father's old friend at Harley College. She attracts two admirers but is then caught up in an intrigue from which they strive to rescue her.

Blithedale Romance (1852) is a novel by American author Nathaniel Hawthorne. It is the third major romance as he called the form. Its setting is a utopian farming commune based on Brook Farm, of which Hawthorne was a founding member and where he lived in 1841. The novel dramatizes the conflict between the commune's ideals and the members' private desires and romantic rivalries. Following its publication, *Blithedale Romance* was received with little enthusiasm by contemporary critics. As one reviewer claims, the preface, which is merely a disclaimer of sorts, is by no means the least important part of it. In fact, to many reviews, this simple non-fictional disclaimer seems to be the most important part of the book. Many reviews refer to the preface of the novel and express skepticism in regard to Hawthorne's plea contained therein for the reader not to take the characters and occurrences of the novel as representative of real-life people and events. They claim that there is simply too much correlation between fiction and non-fiction. One reviewer states so vividly: "Does Hawthorne present to us the scheme at Brook Farm to which some of our acquaintance were parties so sharply and accurately does he portray some incidents of life there that we are irresistibly impelled to fix the real names of men and women to the characters of his book as such they read into what Hawthorne writes about characters that have associated real-life figures." However, other reviews, while stating that there is correlation between the fiction of the novel and reality, these correlations should not lead to association of fiction and non-fiction. One review states we can recognize in the personages of his romance individual traits of several real characters who were at Brook Farm but no one has his or her whole counterpart in one who was actually a member of the community. There was no actual Zenobia Hollingsworth or Priscilla there and no such catastrophe as described ever occurred there.

In 1879, Henry James called it "the lightest, the brightest, the liveliest of Hawthorne's unhumorous fictions," while literary critic Richard Brodhead has described it as "the darkest of Hawthorne's novels." A great deal of modern criticism centers around the relation between fiction and non-fiction, as well. Critics believe that when viewed as representative of Hawthorne's own life and beliefs, *Blithedale Romance* provides insight into the mind of the author. According to critics, the novel can be seen as a reflection of the religious conflict Hawthorne faced throughout his life. Irving Howe summarizes this religious conflict, stating throughout his life Hawthorne was caught up in what we would call a crisis of religious belief. His acute moral sense had been largely detached from the traditional context of orthodox faith but it had found little else in which to thrive. Although Hawthorne did not agree with Puritan dogmas, Transcendentalists often associated morality

with observance of these dogmas the novel presents an ironic contradiction between the perception of morality and actual morality such as the utopian blithedale filled with sin and far less than moral individuals critics claim therefore that blithedale is an attempt by hawthorne to represent morality as independent from faith wikipedia org twice told tales by nathaniel hawthorne in two volumes volume i many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive we are republishing these classic works in affordable high quality modern editions using the original text and artwork originally published in 1853 author nathaniel hawthorne delivers a vibrant selection of mythological tales inspired by some of the most popular figures in greek lore tanglewood tales is filled with whimsical characters and their fantastical stories nathaniel hawthorne brings ancient greek mythology to life in this collection of tanglewood tales the author reinterprets the stories for a younger audience with a broad appeal the book contains heroes and heroines as well as magicians and kings some of the most notable myths include the golden fleece which centers jason and the argonauts and circe s palace which follows a battle of wits between the enchantress and a formidable foe tanglewood tales is a companion to hawthorne s previous work a wonder book for girls and boys it expands his collection of children s stories with more enduring tales from greek mythology these are timeless classics that have captivated readers for multiple generations with an eye catching new cover and professionally typeset manuscript this edition of tanglewood tales is both modern and readable more disturbing stories from one of america s greatest authors nathaniel hawthorne was one of the earliest admired american novelists and short story writers born in salem massachusetts his origins ever influenced his work his tales were invariably set in new england were darkly romantic and were often concerned with the occult and witches and their works in particular indeed one of hawthorne s ancestors actually sat as a judge during the famous salem witch trials so the author s inspiration could barely have stronger foundations predictably hawthorne s stories contain puritanical messages on the themes of sin guilt and fundamental evil which go well with stories that contain uncanny and sometimes almost surreal elements although hawthorne was decidedly popular with readers opinions about his work was sharply divided among his peers poe was a particularly harsh critic nevertheless more recent analysis has suggested that he remains possibly america s greatest novelist challenged only by henry james and william faulkner this leonaur collection of four volumes has gathered together hawthorne s tales which contain elements of the weird and bizarre it contains very well known works and those that may be less familiar the final volume of this special leonaur collection of the strange fiction of nathaniel hawthorne contains the novel septimus felton two novelettes legends of the province house and the golden fleece and twenty two short stories including the gorgon s head graves and goblins the gray champion the hollow of the three hills the shaker bridal the wives of the dead mrs hutchinson and others leonaur editions are newly typeset and are not facsimiles each title is available in softcover and hardback with dustjacket our hardbacks are cloth bound and feature gold foil lettering on their spines and fabric head and tail ban trieste publishing has a massive catalogue of classic book titles our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time the many thousands of books in our collection have been sourced from libraries and private collections around the

was a sea captain who died in 1808 of yellow fever in dutch suriname he had been a member of the east india marine society after his death his widow moved with young nathaniel and two daughters to live with relatives named the mannings in salem where they lived for 10 years young hawthorne was hit on the leg while playing bat and ball on november 10 1813 and he became lame and bedridden for a year though several physicians could find nothing wrong with him in the summer of 1816 the family lived as boarders with farmers before moving to a home recently built specifically for them by hawthorne s uncles richard and robert manning in raymond maine near sebage lake years later hawthorne looked back at his time in maine fondly those were delightful days for that part of the country was wild then with only scattered clearings and nine tenths of it primeval woods in 1819 he was sent back to salem for school and soon complained of homesickness and being too far from his mother and sisters he distributed seven issues of the spectator to his family in august and september 1820 for the sake of having fun the homemade newspaper was written by hand and included essays poems and news this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work as a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant written in a richly suggestive style hawthorne s five world famous novels are permeated by his own history as well as america s in the house of the seven gables nathaniel hawthorne alludes to his ancestor s involvement in the salem witch trials as he follows the fortunes of two rival families the maules and the pyncheons the novel moves across 150 years of american history from an ancestral crime condoned by puritan theocracy to reconciliation and a new beginning in the bustling jacksonian era considered hawthorne s greatest work the scarlet letter is a dramatic allegory of the social consequences of adultery and the subversive force of personal desire in a community of laws the transgression of hester prynne and arthur dimmesdale the innate lawlessness of their bastard child pearl and the torturous jealousy of the husband roger chillingworth eventually erupt through the stern reserve of puritan boston the scarlet letter engages the moral and romantic imagination of readers who ponder the question of sexual freedom and its place in the social world fanshawe is an engrossing apprentice work that hawthorne published anonymously and later sought to suppress written during his undergraduate years at bowdoin college it is a tragic romance of an ascetic scholar s love for a merchant s daughter the blithedale romance is a novel about the perils which hawthorne knew first hand of living in a utopian community the utilitarian reformer hollingsworth the reticent narrator miles coverdale the unearthly priscilla and the sensuous zenobia purportedly modeled on margaret fuller act out a drama of

love and rejection idealism and chicanery millennial hope and suicidal despair on an experimental commune in rural massachusetts the marble faun hawthorne s last finished novel uses italian landscapes where sunlight gives way to mythological shadings as a background for mysteries of identity and murder its two young americans kenyon and hilda become caught up in the disastrous passion of donatello an ingenuous nobleman for the beautiful mysterious miriam a woman trying to escape her past this ebook features the unabridged text of mosses from an old manse by nathaniel hawthorne delphi classics illustrated from the bestselling edition of the complete works of nathaniel hawthorne having established their name as the leading publisher of classic literature and art delphi classics produce publications that are individually crafted with superior formatting while introducing many rare texts for the first time in digital print the delphi classics edition of hawthorne includes original annotations and illustrations relating to the life and works of the author as well as individual tables of contents allowing you to navigate ebooks quickly and easily ebook features the complete unabridged text of mosses from an old manse by nathaniel hawthorne delphi classics illustrated beautifully illustrated with images related to hawthorne s works individual contents table allowing easy navigation around the ebook excellent formatting of the text please visit delphiclassics com to learn more about our wide range of titles that very singular man old dr heidegger once invited four venerable friends to meet him in his study there were three white bearded gentlemen mr medbourne colonel killigrew and mr gascoigne and a withered gentlewoman whose name was the widow wycherly they were all melancholy old creatures who had been unfortunate in life and whose greatest misfortune it was that they were not long ago in their graves mr medbourne in the vigor of his age had been a prosperous merchant but had lost his all by a frantic speculation and was now little better than a mendicant colonel killigrew had wasted his best years and his health and substance in the pursuit of sinful pleasures which had given birth to a brood of pains such as the gout and divers other torments of soul and body mr gascoigne was a ruined politician a man of evil fame or at least had been so till time had buried him from the knowledge of the present generation and made him obscure instead of infamous as for the widow wycherly tradition tells us that she was a great beauty in her day but for a long while past she had lived in deep seclusion on account of certain scandalous stories which had prejudiced the gentry of the town against her it is a circumstance worth mentioning that each of these three old gentlemen mr medbourne colonel killigrew and mr gascoigne were early lovers of the widow wycherly and had once been on the point of cutting each other s throats for her sake and before proceeding further i will merely hint that dr heidegger and all his four guests were sometimes thought to be a little beside themselves as is not unfrequently the case with old people when worried either by present troubles or woeful recollections my dear old friends said dr heidegger motioning them to be seated i am desirous of your assistance in one of those little experiments with which i amuse myself here in my study if all stories were true dr heidegger s study must have been a very curious place it was a dim old fashioned chamber festooned with cobwebs and besprinkled with antique dust around the walls stood several oaken bookcases the lower shelves of which were filled with rows of gigantic folios and black letter quartos and the upper with little parchment covered duodecimos over the central bookcase was a bronze bust of hippocrates with which according to some authorities dr heidegger was

accustomed to hold consultations in all difficult cases of his practice in the obscurest corner of the room stood a tall and narrow oaken closet with its door ajar within which doubtfully appeared a skeleton between two of the bookcases hung a looking glass presenting its high and dusty plate within a tarnished gilt frame among many wonderful stories related of this mirror it was fabled that the spirits of all the doctor's deceased patients dwelt within its verge and would stare him in the face whenever he looked thitherward the opposite side of the chamber was ornamented with the full length portrait of a young lady arrayed in the faded magnificence of silk satin and brocade and with a visage as faded as her dress above half a century ago Dr Heidegger had been on the point of marriage with this young lady but being affected with some slight disorder she had swallowed one of her lover's prescriptions and died on the bridal evening the greatest curiosity of the study remains to be mentioned it was a ponderous folio volume bound in black leather with massive silver clasps
